

## Blues NEWS

Blues Night at Saracen Casino Resort will be on hold for a while as the casino transitions into finishing portions of phase 1 construction.

We have enjoyed the past 6 months of Tuesday evenings at Legends Sports Bar. Port City Blues Society certainly appreciates Saracen Casino's dedication to Delta Blues as a theme and their support for our organization. We also appreciate everyone's attendance and support. Hopefully, Blues Night will be able to return before long!

In the meantime, don't forget that you can still hear live Blues every Wednesday night at Hots Rods in historic downtown Pine Bluff from 8pm until 11pm. We have a great group of folks that come to listen and play each week, some from considerable distances. So come join us at the open blues jam every Wednesday evening. It's absolutely free and fun!

Keeping the Blues Alive!

## Midtown Tire & Auto

Port City Blues Society is proud to welcome *Midtown Tire & Auto* as a corporate sponsor! Midtown Tire and Auto is Pine Bluff's premier one-stop shop for all things tire and auto. If you need tires, brakes, oil changes, alignments, batteries, engine checks or tune-ups...they can handle it. Go by 400 W 5th Avenue or give them a call! We very much appreciate their participation and support!

## Sounds of Blue Symposium

Our first **Sounds of Blue Symposium** was extremely successful in 2020, bringing regional artists to Pine Bluff to play and discuss the history of the blues.

The second annual Sounds of Blue Symposium is scheduled for September 25, 2021.

The Sounds of Blue Symposium event will be funded by the **Synergy Forum**.
